

# Walk4Life, Inc Custom Pedometer Program

Create a walking billboard for your brand! Walk4Life presents a great customized pedometer program for brand and health awareness. Customized pedometers are first created by choosing one of Walk4Life's colorful, extremely accurate pedometers. Next, place your logo, program or event name on the exterior and/or interior of the pedometer. Your message will be vibrantly displayed using beautiful 4-color process printing. Unique special gift packaging options create the perfect promotional piece for any occasion. Private label pedometers are great for charity walks, gyms, nutritionists, health groups, Doctor's offices and more!
